To those affected by the fire:

Attached please some additional information as you progress in your recovery. The Elfin Forest Harmony Grove Town Council will do whatever we can to help you as you begin your path to recover.

-JP and the EFHGTC

FINANCIAL SUPPORT:

As you might now, there has been an outpouring of fundraising, enough to help everyone at least somewhat. We have been handing out Visa gift cards as needed for people who were affected. Please call Tim Costanzo at (760) 415-9478 if you need money for out of pocket expenses during your recovery.

STUFF / ITEMS YOU MIGHT NEED

The people at Escondido Friends have amassed a large amount of clothing, furniture, sundry items etc. Pretty much anything you need. Contact Patti at 760-580-4973 or go to StaxUp Storage in San Marcos during operating hours: 458 E Mission Rd, San Marcos, CA 92069

DUST AND ASH

If you have any respiratory affects or illnesses or even have a nuisance dust/ash complaint, you can submit a complaint to the San Diego Air Pollution Control District using the complaint form located on their web site: <http://www.sdapcd.org>

Also, I've provided a link to the San Diego Department of Environmental Health website that has information regarding returning home after a wildfire. This provides pretty good info on how to clean up ash, how to dispose of burned debris, etc..

OTHER GROUPS ASSISTING:

Friends and Family Community Connection are doing outreach and getting volunteers to help with clean up. You can reach out to them if you would like some help as well. They're also organizing fundraising and item donations as well. They can be reached at: <http://www.ffccsd.org/home-page-article-1.aspx> or by emailing philffcc@san.rr.com

SHARING RESOURCES:

If you happen to come across any resources or advice that you would like to share with other folks who were affected, please email us here and we'll include it on the list.

If you need a place to stay, please let us know at efhgtc@gmail.com. So far, the following properties have been sent to us. Please let us know if you end up renting from them so we can cross it off our list:

Julie Herrick (Fortuna del Sur, Elfin Forest)

The Herricks (Julie Herrick) will have her house available starting July 1st. The person who handles the property is Janeen 760-721-4442 (property management). She allows pets & has a horse paddock too. She has it with Graf Property Management.

Kimberly O'Neill (Eden Valley)

We are located on Mount Whitney road and our rental will be ready at the latest by the end of the month. Possibly sooner but fixing items since our last tenant just moved at the end of last month after 2 years of being with us and we have to clear out the ash in the pool from the fires. It is a 4 bedroom, 2 bath home with pool. Approximately 1.5 acres.
Please call us at 760-348-8993 for further details.

Christina Reinhart

I am currently residing on Questhaven Rd, and have at least 1 room for rent immediately. In the near future, I may have more space opening up. We have a group of people 20-30's living in a communal housing situation. We have one cat and a rabbit, and have a beautiful yard that we spend a good amount of time gardening in. I rent the bedroom for \$900 for single, and \$1,000 for double occupancy, which includes access to our pool! Let me know if you find someone that may enjoy spending some time here as a retreat while they get back on their feet.

Green Blessings,
