

E-ALERT: Seeking houses for rent in the area of EF, HG and EV

People who are recovering from the fire are looking for houses for rent in the area of Harmony Grove, Elfin Forest and/or Eden Valley. Some are families with a pet or two, others are couples who might need a room or a guest house. Some are for long term rentals (rebuilding their homes), others are short term (2-3 weeks) who are fixing smoke damage to existing homes.

IF YOU HAVE A HOUSE / ROOM / CASITA FOR RENT that is available soon, please email us ASAP at the TC efhgtc@gmail.com so I can add it to the list and forward it on to the affected residents.

IF YOU ARE SEEKING A HOUSE OR RENTAL, please email me and we'll add you to the list.

PS: On an unrelated note, people are reporting having issues with their insurance companies and neighbors are hiring public adjusters and attorneys to deal with these issues. Please let us know if you're having issues so we can share information and track efforts.
